The Honorable Stanfield Turner  
Director, Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Turner:

On behalf of the officers, trustees, and members of the World Affairs Council of Orange County, may I re-extend to you our invitation to address our Council? Please consider this an "open-ended" invitation to be used anytime you are available. We have your reply of February 5, 1979 to our original invitation, but realize these invitations could easily get lost in the shuffle.

Our Council now has over 1500 members who are keenly interested in national and international affairs. We try to present to our members 8 to 10 outstanding speakers each year.

Enclosed you will find our brochure indicating some of the speakers we have had recently and they have all received warm responses by our membership.

We hope you can find time in your busy schedule to visit with us in Orange County.

Cordially yours,

  
M. Roy Knauff, Jr.  
Executive Director

Dear Mr. Knauft:

Admiral Turner has asked me to thank you for your letter of June 3rd, inviting him to address the World Affairs Council of Orange County. I hate to sound like a broken record but present plans don't call for Admiral Turner to visit your area in the foreseeable future. He does appreciate the open invitation, however, and would hope to take advantage of it if our travels bring us in the vicinity of Orange County.

Sincerely,
